

Cookie Policy

Last updated: May 2026

1. Introduction

This Cookie Policy explains how VINTA LIMITED ("VINTA", "we", "us", "our"), a company registered in England and Wales under company number 17221337, with its registered office at 51 Borough High Street, London, England, SE1 1NB, uses cookies and similar technologies on our platform <https://designsorbit.co/en> (the "Platform").

This policy should be read alongside our Privacy Policy, which explains how we use personal data more generally.

2. What Are Cookies

Cookies are small text files that are placed on your device when you visit a website. They are widely used to make websites work, work more efficiently, and to provide information to the website owner. Similar technologies, such as pixels, tags, local storage, and device identifiers, may be used for the same purposes and are covered by this policy.

3. Why We Use Cookies

We use cookies and similar technologies for the following purposes:

- **Strictly Necessary** – to enable core functionality of the Platform, such as securely logging you into your account, maintaining your session, processing payments for Contests and Projects, and protecting the Platform against fraud and abuse. These cookies cannot be switched off in our systems, as the Platform cannot function properly without them.
- **Functionality** – to remember your preferences and settings, such as language or display preferences, so that the Platform can offer a more personalised experience.
- **Performance and Analytics** – to help us understand how visitors use the Platform, including which pages are visited most often and whether users encounter errors, so that we can measure and improve performance.
- **Advertising and Targeting** – where used, to help us and our partners deliver advertising that is more relevant to you, and to measure the effectiveness of marketing campaigns.

4. Third-Party Cookies

Some cookies on the Platform may be placed by third parties, such as payment providers, analytics providers, and, where applicable, advertising or social media partners. These third parties may use cookies to collect information about your use of the Platform and other websites over time. We do not control these third-party cookies, and we recommend that you review the relevant third party's own cookie or privacy policy for further information.

5. Managing Cookies

We will ask for your consent before placing non-essential cookies on your device, in accordance with the Privacy and Electronic Communications Regulations 2003 (PECR), typically through a cookie consent banner or preference tool on the Platform. You can change or withdraw your consent at any time by updating your preferences through that tool, where available.

You can also control or delete cookies through your browser settings. Most browsers allow you to refuse or delete cookies, or to be notified when a cookie is set. Please note that if you disable or refuse cookies, some parts of the Platform, including account login, Contest and Project management, and checkout, may not function properly.

For more information on how to manage cookies in common browsers, you can visit your browser provider's help pages.

6. Changes to This Policy

We may update this Cookie Policy from time to time to reflect changes in the cookies we use or for other operational, legal, or regulatory reasons. Any updates will be published on this page with a revised "Last updated" date. We encourage you to review this policy periodically.

7. Contact Us
